

CKC Listserv “Rules”

The listserv of the Coalition of Kensington Communities (CKCListserv@yahoogroups.com) is not moderated, but please note that it is reserved solely for the following:

- Official notices of the CKC regarding meetings, testimony/opinion letters, etc.
- Soliciting feedback on an issue of general concern to Kensington-area residents
- Reporting on a situation (development issue, crime, etc.) in one of our neighborhoods that could have an impact in other neighborhoods
- County- or State-wide announcements with relevance to the Kensington area
- Town of Kensington information with relevance to TOK’s residential neighbors
- Information that is likely of interest to most people in the Kensington area, including community forums and cultural events

It is not always crystal clear what information is of interest to most people, so please tread carefully and err on the side of not sending an email. The following examples are of information that should NOT be disseminated through this listserv: nanny/housekeeper or other worker information, individual yard sales (community-wide sales are OK), events at houses of worship (e.g., a church yard sale), political events or information, and advertisements or information that might be construed as an advertisement.

If you have any questions, please contact one of these CKC representatives before sending your email to the full CKC listserv: Liz Brennan (Parkwood rep), brennanhouse@comcast.net, or Donna R. Savage (Kensington Heights rep), Donna@IntelligentFingers.com. Thank you for keeping the “e-waves” clean and appropriate.
